Abdur Rafay Hassan Baloch
Front End Developer

Contact #: +92-334404-1602 | Address: D.I.Khan, Pakistan | Email: abdurrafay248@gmail.com | LinkedIn: www.linkedin.com/in/abdur-rafay-0860b9225

Summary

To work in your leading organization in a challenging and growth-oriented environment where my capabilities, skills, and knowledge can be utilized to an optimum level and where I can fulfill my thirst for continued knowledge. I am looking forward to being employed in your organization which promotes teamwork, excellence, innovation, and encourages skills, creativity, and dedication. Currently learning the basics of Deep Learning including neural networks and computer vision using online tutorials and practice projects. Looking for an internship to gain real-world experience and grow under expert guidance.
